FORERUNNER CHRISTIAN ACADEMY

exists to equip students in excellence both academically and spiritually to prepare the way of the Lord. Forerunner Christian Academy is dedicated to promoting a culture of honor within the student body. Classes are taught by dedicated teachers who are committed to investing into the next generation. We feature a low student-teacher ratio in order to prepare children to succeed in college and beyond.

AT FORERUNNER CHRISTIAN ACADEMY

our College and Career Advising program exists to help guide students through their high school careers. Students of Forerunner Christian Academy score above their grade level in standardized testing and the SAT/ACT. Juniors and seniors at Forerunner Christian Academy are enrolled in dual enrollment courses, earning both high school and college-level credit.

STUDENT GOVERNMENT

Our junior and senior high students have the opportunity to participate in a student government association. This association is designed to build community among the student body. The student government focuses on school events and ministry outreach.
